

Coach Torpey

Sponsored by: $\Sigma\Phi\Lambda$

Sig Phive K

Memorial Run in Honor of Coach Charles Torpey

This year the fraternity will sponsor the 4th annual Coach Torpey Sig Phive K. The race and the Halloween fun walk for kids will take place at La Salle University on Saturday, October 11th.

Registration on race day will begin at 9 A.M and the walk and race will go off at 10. The event will honor the memory of famed La Salle track coach Charles Torpey, and all proceeds will go to La Salle Academy of Philadelphia.

La Salle Academy is a Lasallian institution dedicated to providing economically disadvantaged children grades 3-8 with a quality education. These children come from families where the typical income per year is under \$20,000. So while the need for education is great, the resources are scarce. Consequently, tuition at La Salle Academy is just \$200 per year. The rest of the money that allows the school to continue its mission must come for private resources. This is a school that needs and deserves your support.

The Sisters of St. Joseph and their lay colleagues run a school day that goes from 8:00 A.M to 5:00 P.M. The small classes promote plenty of individual attention to each student and the day closes with an hour of tutoring. This is the kind of education these children need and the impact of it is clear. Graduates of La Salle Academy have gone on to some of the best public, private, and charter highs cools in the Philadelphia area and some of them now entering college. The hopes and dream of parents and teachers are being realized by kids who given the chance will become our good neighbors of the future.

The Coach Torpey Sig Phive K is your chance to join La Salle Academy and Sigma Phi Lambda fraternity in keeping the doors open and the dreams alive for children. Your donation in any amount will be deeply appreciated now and in the long run. Thanks for your consideration.

The Brothers of Sigma Phi Lambda Fraternity,
La Salle University.
