GRAPHIC ARTIST
PAID INTERNSHIP
October 2004

Household Metals, Inc. (HMI) is a growing designer and manufacturer of beautiful doors for homes. Our products are provided to remodeling dealers, and feature elegant designs and color for a home. An elegant composition and color presentation of our products is critically important. Your artistic talent is important and can play a big part in our success.

- Paid internship
- Can start immediately
- May extend beyond the internship
- Location is in N.E. Philadelphia on Erie Avenue
- Access to plenty of public transportation
- A great resume builder and work reference for the right candidate

Your responsibilities would include the design of our brochures, sales fliers, direct mail pieces, and perhaps website design. You must be able to create pleasing attractive composition and color in the printed arts.

- Working schedule can be adjusted for your education; but, you must be reliable
- Juniors are desired for longer term, and talented seniors will also be considered
- Must have at least a 2.5 GPA as an Arts student
- Able to use PC software (examples: “InDesign” and “Adobe Photoshop”)
- Be organized, and a team player
- Able to create into the style of existing materials, and improve them
- Candidates will be interviewed; must have examples of art to show

To apply, please send your resume to Robert Winton, VP Sales and Marketing, by fax 215–634–2292, or email to rwinton@hmidoors.com, or contact at 215–634–2800 x 24.

The above description is intended to be guidelines for the position and not a contract. Employment at HMI is at will and may be terminated by the employee or by HMI at any time and for any cause. HMI reserves the right to change job descriptions at any time and for any reason.
